I would like a total of \_\_\_\_\_ Yard Waste Carts. Each cart is \$7.40 /month.

**PLEASE NOTE:** Recycling and yard waste services may be added for the first time or discontinued at any time, with no additional utility service fee. A \$30 utility service fee will be charged when recycling and/or yard waste service is reinstated by the **same** customer at the **same** location where the service had been voluntarily discontinued or terminated. This penalty fee does not apply to re-starting any additional yard waste containers as long as the containers were previously used for at least 120 days (Chapter 13.54.070 B. PAMC)
