PUBLIC WORKSHOP

The City of Port Angeles hosted a public workshop from 3:00 – 7:00 PM on January 23, 2023 in the Raymond Carver Meeting Room of the Port Angeles Main Library. The purpose of the workshop was to obtain community input regarding the City’s Pursuing Housing for All 2023 Port Angeles Municipal Code Amendment process.

Any person who wanted to attend was able to arrive at the meeting location at any time during the workshop hours and could stay for as much of the workshop as they wanted to. The workshop was conducted using a small-group format, in which attendees were invited to one of five tables, where they participated in a discussion with other community members facilitated by City staff. Each group discussion lasted approximately 45 minutes and focused on obtaining input from community members regarding neighborhood values and the proposed amendments to Title 17 of the Port Angeles Municipal Code.
