

The City of Port Angeles has received grant funds to assist customers financially impacted by the COVID-19 pandemic. Funding for past due balances that occurred between March 2020 and December 2021 are available to qualifying customers. If you have been financially burdened due to the impacts of the pandemic, please complete the application below and attach a copy of any documentation that will demonstrate the financial impact that occurred during the eligible time period, such as pay stubs, W2's or letters from employers.

Please understand there is a limited amount of funding and once depleted assistance will no longer be available unless additional funding sources are made available through state or federal government. This financial assistance is in addition to the discounts currently offered and provided to low-income utility customers.

Please also note that amounts will be credited to individual utility accounts based on qualification for utility bill assistance. This funding is available to City of Port Angeles residential utility customers only.
