

Facility Availability

See <https://www.cityofpa.us/1050/Current-Field-Status> for live calendars of each facility listed below. Or scan the QR Code here --->
Please reference the calendar for your requested facility prior to submission of a PASD Facility Request Form.

The "Subscribe to Calendar Updates" button in the upper left corner of the online calendar itself will download a calendar item for implementation to your own calendar application. Once added to your application, it will stay up to date with the website and may be viewed or printed off through your own methods.

PLEASE NOTE: The Subscribed Calendar only updates for the 6 months to come. Any items further out than this must be viewed in the Online Calendar.
